Whats on your most wanted list for Christmas. Is it radio gear. Boy we all have our want list and there is always new stuff to consider. There is also a lot of old stuff to consider. I just want to remind any of you, who might be expecting some new gear coming to roost in your shack in the near future, of the auction at the December meeting. An event like this can will be a fun experience for everyone if we have good Participation. We need lots of STUFF. Help this event be successful.

The Christmas meeting scheduled for this month, I hope, will be a good social event for the club members and guests. Just a reminder to bring a Plate of cookies or some house speciality to set on the community table. The club will provide the coffee and Plastic Ware, napkins etc. The meeting portion will be very short so you won't have to listen to me drone on.

For the January meeting: A reminder that we are trying to circulate those old and not so used HAM RADIO, 73, QST or other Publications that you might like to trade or give away. We'll make the table available and everyone just feel free to put or take any of these old gems that tend to sit and gather dust.

Don't forget about the homebrew/newbrew table. We've enjoyed and appreciate those bits of applied mental genius and I am sure there are many more where they came from. Don't be shy about this aspect of our hobby. Sometimes the seed of invention is planted in the gray matter by the casual demonstration of some simple idea. Who knows, maybe you will become another Edison, DeForest, or Goldberg.

One need we have as it relates to a club activity or responsibility is a club librarian. You may choose a different title if you like but that is one area that needs attention. It may just be a matter of hauling the books, tapes and whatever to the meetings but I would be glad to build something if an idea surfaces. At any rate give it some thought and let me know if you have an interest.

The "ADOPT A FAMILY" is continuing through this month's meeting. If you care to contribute food, clothing, or toys please bring them to this meeting.

From all of us here at WSZL to our radio friends scattered around the area both near and far, have a MERRY CHRISTMAS AND A HAPPY NEW YEAR. Look forward to seeing all of you in the new year. Come to the meetings and share your experiences and ideas and feel free to make suggestions that will make our club meetings interesting and fun. 73

Mike WB9BBI

Seasons Greetings,

The Green Bay Mike & Key Club would like to extend an invitation to you to join us at our December meeting & Social gathering at the Red Cross Building in Green Bay, basement level, at 7:30 pm, on December 14th. A brief meeting will be followed by a fun filled social and eyeball QSO. There will be refreshments and lots of eatable goodies. If your baking skills permit, you may wish to bring along your favorite treat to share. Enclosed you will also find a copy of our club newsletter, "Key Clicks". We hope you will find it informative and entertaining. On the last page is a membership form, if you are interested in joining our club, you can fill it out and send it or bring it to the meeting. You are under no obligation to join. We hope you will stop by, and meet other area hams and help us celebrate the holiday season. We hope to see you there!

73 &  
Happy Holidays

The Green Bay Mike & Key Club

*Merry  
Christmas*
