INFORMAL ITEMS

VOLUNTEER EXAM: Testing session will take place on sept. 15th at Madison Jr. High, 2020 S. Carpenter, Appleton, Wis. Check in 8:15 Testing to begin at 9:00 AM.

NON EMERGENCY: Martha N9JAD reported about the Wolff River Century Bike Ride. It was held on Aug. 19th. Dave Boland gave a report on it and said they were treated real well and had lots of fun. These people helped with communications.

SHAWANO AREA AMATEURS:

KA9TCN * JOHN	N9FZI -LYNN	K9TQC - JACK
KA9NWX - BOB	KB9DAC - KEVIN.	

FCARC HELPERS:

NB9J - DON	WD9GRL - PAULINE	WD9HID- BOB
WB9BBI - MIKE	KA9NTO - JOHN	W9NWX - DAVE

THANK YOU EACH AND EVERY ONE OF YOU FOR A JOB WELL DONE.

HAMFEST: Don NB9J needs somebody for admissions. It was suggested by Rick N9ALF to have the talk in on only one freq. It was also suggested to have some ideas for the xyl's to do.

E.A.A. Wayne-WD9FLJ thanked everyone for showing up. A good job was done in setting up and taking down. Conditions were bad most of the days. He said we had some young people there and also old ones.

INTER CLUB: Don NB9J reported we had a good corn roast and also lots of real ggod food. Some very good sweets also. The company was especially good.

Don't forget the Inter Club Auction at the sept. 17th meeting.

Rick is looking for some help with communications on sept. 22 at Red Grannit Corey for the Skin Divers. If you can help out give Rick N9ALF a Call.

HOME BREW: If YOU HAVE ANYTHING FOR THIS TABLE PLEASE REMEMBER TO BRING IT.

IF ANYONE HAS COAX TO DONATE FOR FIELD DAY AND E.A.A. THEY NEED THREE PIECES, APP. 100 FEET EACH. GET IN TOUCH WITH MIKE WB9BBI.

WELCOME TO ALL NEW MEMBERS

ADE VAN DER BUEGT	K9DHR	CHARLIE MILAM	N9JLH
JOSHUA GRISWOLD	KB9DYF	ERIC KIRCHNER	KB9DYG
EARL SHEARIER	W9RNH		

NEXT MEETING. SEPT. 17, 1990

RESPECTFULLY SUBMITTED,
HELEN BORREE WD9CYW
SECRETARY.

READY, GET SET, GO. Fall is here and we are off and running as we get into another busy year. It seems to me at least, that September is the beginning of the regular season even though our year starts in May. (I suppose that is because school starts and 10 meters comes back to life. At any rate a number of club activities are planned and some of our big events happen in the few next months and there is a lot of hammin' to do.

Mike here a big hand for the fine presentation by Bruce Hammeman at our last club meeting. I must apologize to the membership for not taping the message and discussion, but in my haste of rounding up meeting things I forgot the tape recorder. It would have been a fine addition to the program. I have been in contact with Bruce, however, and am trying to attend some future presentation of his and make a tape about Electromagnetic Pollution. Hopefully some of the good questions and debate will be repeated. Gee some of you guys impress us with your experience and knowledge in this and the related topics too for that matter. I make the bushes outside of our club for speakers and I am sure we have many experts on various topics right here under our noses.

Speaking of the club library, the book case and cabinet are finally under way. The busy summer put this project on hold, but I've finally started and should have it done in the next few weeks. Then we can get those books and all the other stuff on display.

Are you digging through your junk for the AUCTION coming up here Monday evening. We will not be having the normal format of business and hope to spend the whole evening having fun. We need some stuff to auction though and are counting on 'youse guys' to bring it down. I'll brew up some coffee and we'll have some soda to keep you from getting hoarse from all that heavy bidding. If you have boxes of small stuff set them on a table with your price and name and make some sales before or after the auction. On the items for auction, put your name/call and your lowest acceptable bid. Hopefully we'll have a good club and guest clubs response. Only your interest and involvement can make this a success. Please plan to attend and get involved.

Spread the word about novice classes beginning on Sept. 18th. Don't forget about the HAMFEST coming up on November 4th. Yup, that's right it's Sunday and will be at the Starlite Supperclub north of Kaukauna. Check your Program calendar for other events happening in the next couple of months. Fiber Fever, the Program on Nov. 12, by Wisconsin Electric should be another interesting program. Note that the date for the November meeting is a week early because of deer hunting.

Well, happy hammin'. See you Monday evening, 73.

Mike, W9BBI
