WORK FOR KIMBERLY CLARK CORP.
K.C. DONATED 8,800 DIAPERS..

--NOTE NO ONE WAS HURT DURING THE
WAR BIRD ATTACK ON MYRONS

OUTHOUSE. !!!!

MY MOST EMBARRASSING MOMENT IN AMATEUR RADIO OCCURRED WHILE MY FAMILY AND I WERE ON VACATION RECENTLY. WE HAD JUST ARRIVED IN WILLIAMS, ARIZONA, FOUND A MOTEL AND WERE WALKING DOWN THE STREET LOOKING FOR A PLACE TO EAT WHEN I SPOTTED A BLACK SEDAN AT THE CURB WITH A BIG WHIP ANTENNA ON THE REAR.

WALKING OVER TO THE BLACK SEDAN I PROUDLY ANNOUNCED, "I'M W9HTR, WHATS YOUR CALL?" THE MAN IN THE CAR, WITH A BIG GRIN, REPLIED, "I'M THE SHERIFF." BY JACK STRONG W9HTR

32nd ANNUAL NEW JERSEY QSO PARTY - AUGUST 17 - 18

The Englewood Amateur Radio Association, Inc. invites all amateurs the world over to take part in the 32nd Annual New Jersey QSO Party.

RULES: [1] The time of the contest is from 2000 UTC Saturday August 17 to 0700 UTC Sunday August 18 and from 1300 UTC Sunday August 18 to 0200 UTC Monday August 19. [2] Phone and CW are considered the same contest. A station may be contacted once on each band - phone and CW are considered separate bands - CW contacts may not be made in phone band segments. New Jersey stations may work other New Jersey stations. [3] General call is "CQ New Jersey" or "CQ NJ". New Jersey stations are requested to identify themselves by signing "DE NJ" on CW and "New Jersey calling" on phone. Suggested frequencies are 1810, 3535, 3950, 7035, 7135, 7235, 14035, 14285, 21100, 21355, 28100, 28400, 50-50.5, and 144-146. Suggest phone activity on the even hours; 15/10 meters on the odd hours [1500 to 2100 UTC]; 160 meters at 0500 UTC. [4] Exchange consists of QSO Number, RST, and QTH [ARRL Section or country]. New Jersey stations will send county for their QTH. [5] Scoring: Out-of-state stations multiply number of complete contacts with New Jersey stations times the number of New Jersey counties worked [maximum of 21]. New Jersey stations: W-K-VE-VO QSOs count as 1 point; DX stations count as 3 points. Multiply total number of points times the number of ARRL sections [including NNJ and SNJ]. KP4, KH6, KL7, etc. count as 3 point DX contacts as well as section multipliers. [6] Certificates will be awarded to the first place station in each New Jersey county, ARRL section, and country. In addition, a second place certificate will be awarded when four or more logs are received. Novice, Technician, and mobile operator certificates will also be given. A total of four plaques have been donated by the ARRL Section Managers for NNJ and SNJ to the highest scoring single operator station residing in each of their sections [separate for Novice/Technician and all other classes]. [7] Logs must also show the UTC date and time, band, and emission, and be received not later than September 14, 1991. The first contact for each claimed multiplier must be indicated and numbered and a check list of contacts and multipliers should be included. Multi-operator stations should be noted and calls of participating operators listed. Logs and comments should be sent to: Englewood Amateur Radio Association, Inc., Post Office Box 528, Englewood, New Jersey 07631-0528. A #10 size SASE should be included for results. [8] Stations planning active participation in New Jersey are requested to advise EARA by August 1st of your intentions so that we may plan for full coverage from all counties. Portable and mobile operation is encouraged.

ANOTHER YEAR HAS PASSED. THE
145.330 MHZ. REPEATER HAS BEEN
OPERATING AT ITS PRESENT LOCATION
WITH FEW PROBLEMS AND AN AUTOMATIC
ID'ER WAS ADDED THROUGH THE EFFORTS
OF SOME OF THE MEMBERS

UNFORTUNATELY, THE SAME CAN'T BE
SAID FOR THE 146.760 MHZ. SYSTEM.
PLANS ARE CURRENTLY BEING MADE TO
CORRECT THIS SITUATION. WITH LUCK
THE 146.760 MHZ. REPEATER SHOULD BE
RESTORED TO FULL OPERATION BY THIS
FALL.

PLEASE PLAN ON ATTENDING THE
MEETING TO SUPPORT THE ASSOCIATION.
IF YOU CAN NOT ATTEND, DUES CAN BE
MAILED TO THE ADDRESS ABOVE.

HOPE TO SEE YOU THERE!
