We have had a scholarship committee for the last two years. The recipient for this year's scholarship is Karen Schneider, N9SVA, daughter of Greg and Judy. We will continue to sponsor a scholarship for the next couple years. Recently a donation of \$400.00 was made to the scholarship fund. So the fund is set for the next couple years. WAYNE'S WORLD..... WAYNE'S WORLD.....

Well, we're off and running! Special thanks to the previous Board members for the supersmooth transition. The new FCARC board met for the first time Tuesday, May 30th....and a real exciting start it was too! Our first meeting was 2 and a half hours long! I promise to keep them shorter in the future and I want to extend an invitation to any interested club members to attend these in the future. Wow! I'm really impressed with the Wis. Qso Party results.... our club moved all the way up to 5th place! Thanks to all of the club ops that contributed to the WQP score. W9IEI mobiles, Team scored 1st place in multi-op mobile class, and I am very proud of that as our first attempt. Congrats to all who took part in this super-fun contest. (me... a contester?... what next?) We will have a change in our July meeting too. The meeting will be held at Erb Park in Appleton. For those who care to join us, we will start at 5:00 p.m. with a BYOE (Bring Your Own Everything) picnic lunch. At 6:00 we will hold a "walking" fox hunt which will conclude by meeting time. We will then hold our regular meeting (RAIN OR SHINE) in Erb Park.... look for the ARRL flag to be on display. If weather looks threatening.... monitor 146.76 repeater. Hope to see you all there. That's all for now. I'm looking forward to seeing you all there on June 19th at good old Roosevelt Junior High School.

CQ CQ FIELD DAY
CQ CQ FIELD DAY
W9ZL FIELD DAY

Field Day 1995 starts on Saturday June 24 at 1800 UTC. The site will be the same as last year at the Greenville Grange located on the corner of HWY 45 and BB. We plan on setting up starting at 8:00 AM on Saturday June 24.

This year we will be running a 2A station, that being 2 stations and a Novice station. One will run CW, the other phone. We will try to run all stations 24 hours so everyone that comes out will be able to operate.

This year we will make every effort to run a satellite station for Oscar 10 and 13 and RS-10, 12 and 15. If you have not operated or seen satellite operations this is your opportunity.

One final thing, we are still looking for a camper or tent for one of the operating stations. If you can help out it will be appreciated.

Field Day is the premier club event of the year so don't miss it.

The FC-ARC sends all funds collected to our VEC which is the ARRL. 610 forms are available at the test session. The biggest concern at test sessions is: candidates showing up without copies of their license or CSCE's not having two forms of identification, or even in some cases, not having their CSCE's!
