Membership; Coordinator: Steve, N9SGG

**Call to Order: 7: 00 PM**

**Quorum count:** Vice-President: John, AB9AH

**Minutes:** Approval of the Executive Board minutes from: February 25, 2002

(Motion to accept) (second) (vote: M)

**Old Business:**

A.) N9RJZ has created a date base that's web based and accessible by members with passwords.

**This database will make for easy access for us all on the board. Any one can make revisions as needed. It will not be dependent on one person.**

**A possibility was suggested to allow access via a password for each club member to update their own information to help keep the data accurate.**

**This issue will be re-visited next meeting.**

B.) Club wears form to be passed around at the next general membership meeting, also put an article in the next few QSO'ers.

**Cost will be dependent on the quantity ordered. Names and call signs will be an additional charge of \$4.**

Should the club programs be published in the QSO'er.

**The club programs will be published. There had not been any established agenda for awhile and this was omitted from the QSO'er.**

D.) Should the Exec. Boards minutes be published in the QSO'er. **Unanimous yes (no financial information will be disclosed.)**

Date that the club's trustee name will change.

**Don Quinn is still trying to get in contact with Larry Siebers for his signature. It was decided Don will mail the form to him with a self addressed envelope.**

F.) Awards Banquet certificates and event. **Felt this was received well and will continue to do.**

G.) Membership drive, post card vs business letter.

**Was decided to do in letter form with new watermark instead of post card. Brian is able to get paper and envelopes donated so the club will only have the postage to pay.**

**Brian noted that we only will need a 2% return for this mailing to be successful.**

**Was suggested to send out a complimentary QSO'er with letter. Was decided a few may be mailed but would be too costly for the entire mailing.**

**Brian will begin the mailing soon. He will be taking a zip code area at a time.**

**Discussion: Old Business**

QSO'er going electronic – still a work in progress

**New Business:**

A.) We need members for the Wis. QSO Party committee to fill out forms and help with scoring of members log sheets.

**After March meeting Bill Vincent and Brian Long volunteered to help.**

C.) Year end financial review must be submitted to the general membership in May.

**Adjourned: 8:33PM**
